To whom it may concern,

Clio Cast and Crew is a local non-profit organization dedicated to the education of our community in the theatrical arts. In addition to teaching, we produce quality shows that reach a large audience within our community. Our seasons typically consist of 5 plays or musicals, and each of these had 6 or more performances. With a theatre that seats 165 patrons, we can reach up to 4900 people in a season. Most of these patrons are people who live and shop locally.

One of the key ways that are able to keep producing quality theatre is through selling advertising space in our programs. Each patron that comes to a show receives one of these programs, so the positive impact it could have for your business is profound. We are now selling ad space for our 2017-18 season.

If you choose to purchase ad space in our program, you can mail your payment with artwork to the PO Box listed above, or e-mail the art to cliocastandcrew@gmail.com. You can also contact our advertising chair, Mary Swedorski, to pick up your payment and art.

Thank you,

Clio Cast and Crew, Inc.
